

EXPERIENCE

Muscle & Fitness Hers

2015-current

> As an *Art Director*, working with the editors and the Creative Director, I conceptualize for a single story and features shoots. As well as design the cover. Apart from doing color corrections for the issue, I oversee all pages from it's early stage to shipping.

Natural Health/Fit Pregnancy

2014-2015

> As an *Associate Art Director*, I took the responsibility in assigning illustrations for the magazine departments. As well as concept for shoots.

XOP Magazine

2012-2014

> I was the *Production Designer* for a luxury magazine based in New York for Brasilians. Made sure images was ready for ship and moved pages through all the shipping stages.

Marc's Shortcuts

2012

> Was the *designer* of two sets of tourist guides. One for SoHo/Nolita and the Upper East Side. Apart from designing I took responsibility in small production work by making sure it was ready for print.

Health Magazine

2011-2014

> On my first year at Health I was a *Production Designer*. I took all the responsibilities in making sure the pages moved through all the shipping stages until it was ready for the printers.

> The last three years I switched to a *designer* and was in charge of department pages and features. If need be I will also assign illos for several department stories.

Esquire's Big Black Book

2009-2010

> I started as an *intern* for the magazine and quickly switched to *freelance job*. Designing and assigning illustrations for the Big Black book along side the Creative Director.
